The cordless TC-CT 3,6 Li electric stapler is a compact tool which fits comfortably in the hand. Creative DIY enthusiasts can do stapling around the house in next to no time. Featuring a high-power 3.6V Li-ion rechargeable battery and ergonomic handle with soft grip coverings, it is the tool of choice for fatigue-free stapling anywhere around the house without the need for a power outlet nearby. A rapid shot rate of 30 shots per minute speeds up the work. A safety lug protects man and material by preventing accidental triggering. The practical fill level indicator and rear loading system make it easy to load more staples. Supplied with 1000 staples, charger and sturdy metal box.
